

# Tap Into Virtual Practice With the Neulasta® Onpro® Interactive Learning Tool

Get to know the Neulasta® Onpro® On-body Injector (OBI) on your computer or tablet using the Neulasta® Onpro® interactive learning tool.

The interactive learning tool is a hands-on, digital tutorial designed to support the Neulasta® Onpro® Healthcare Provider Instructions for Use and help you practice the skills to prepare and apply the OBI.

Score points while applying the steps you've learned using an engaging interface featuring a virtual patient and the Neulasta® Onpro® OBI.

Note: The Neulasta® Onpro® interactive learning tool does not replace the Healthcare Provider Instructions for Use. Before working with the Neulasta® Onpro®, it is important that you thoroughly review the Healthcare Provider Instructions for Use. These instructions cover everything you need to know about how to use Neulasta® Onpro® with patients.
